

# Voice Dialogue The Psychology of Selves

## For your Continuing Education consider an Individualized Learning Program in Voice Dialogue.

Do you use Voice Dialogue and want to deepen your understanding of it? Are you searching for a new approach to your personal and professional life? Whether you're new to Voice Dialogue or wanting to dig deeper, you would benefit from an Individualized Learning Program in Voice Dialogue with Ann Dobbertin.

It is a very effective and powerful tool to quickly help a person move from an intellectual understanding to an emotional and energetic experience in the inner world. This enables us to make better choices about how to behave in the outer world.

Extensive library to borrow from (DVD.s, CD's, books) along with the many handouts you will receive.
